v.)	<u>PROTECTIVE ORDER</u>
)	
UNION PACIFIC RAILWAY COMPANY)	
A Delaware Corporation,)	
)	
Defendant.)	

The Court held an informal telephone conference on August 6, 2020, to discuss subpoena recipient PTI's assertion (in which Defendant Union Pacific joined) that the drive-camera videos relating to the subject incident are confidential. Although the parties disagree regarding this confidentiality assertion, and the Court did not rule on the issue, the parties agreed to a limited protective order as follows:

Neither of the parties, including all counsel, shall use these drive camera videos in televised advertising;

The parties, including counsel, will not make these drive camera videos publicly available on the Internet; and

The Parties, including counsel, will not distribute these drive camera videos to anyone outside its office except for consultants or testifying experts it has retained to assist in this case or another case arising out of an injury caused by the allegedly negligent conduct of Professional Transportation Inc., in providing transportation services to a railroad.

At the conclusion of any litigation, if the parties provided these drive camera videos to anyone employed to assist in the litigation, counsel will reclaim them. Counsel, however, may retain copies.

THEREFORE, IT IS ORDERED that the Joint Motion for the Court's entry and approval of their Agreed Protective Order is **GRANTED**.

IT IS SO ORDERED this 9th day of September 2020.
